I am a current financial MGBA Member. I have undertaken training as set out below and have a clear understanding of the requirements to measure goats under MGBA rules and regulations for registration purposes. I / we agree to abide by all the terms and regulations set forth in the Rules of the Miniature Goat Breeders Association of Australia Inc and any amendments made thereto. I / we further agree to abide by the code of ethics, decisions, actions and amendments, thereto of the Miniature Goat Breeders Association of Australia Inc. In signing this application, I / we understand that I / we am / are personally responsible for the information submitted and will always submit correct and true heights for animals I measure using the measuring skills I received during the training for my MGBA Measuring Licence. I / we consent to the re-distribution of all or part of the heights submitted by the MGBA to any other entity or person(s) in order to achieve the objectives as defined by the MGBA.

I will familiarize myself with all current registration and measuring rules.

I certify that I am a certified MGBA Measurer and have trained the above MGBA Member/s in the following;

How the animal should be standing

To take time and try to get the animal relaxed and comfortable.

The best surfaces for the measuring to be done.

Where on the animal they should be measured.

How to take a number of measurements and average them out

I pledge that they have a full and clear understanding of the physical requirements to measure Goats under MGBA rules and regulations as I have been taught for registration purposes, and as a trainer confident in their ability.
